

2nd Grade Supply List 2024-2025

Please know that we've lovingly considered what is needed for the classroom & how it will all be stored. Therefore, we kindly ask that extra items remain at home. If there is freedom to choose a design, it must be appropriate for using at LIGHT. Thank you so much for understanding. ❤️

Please label supplies with your child's name, before bringing them to school. Adding your child's initials to each individual crayon, pencil, & marker makes it easier to return "lost & found" supplies, but it's not required. This list is an estimate for the school year. All agree to send additional supplies, as needed. Thank you! ❤️
